Vineyard: The Petite Sirah comes from the Dollar Ranch which is located in the Chiles Valley. This historic ranch is named after an old stagecoach stop. This vineyard has fairly warm summer days, but due to higher elevation and summer fog can be quite chilly during the night, these conditions lead to late season harvests.

Vintage: A warm dry spring brought early bud break, helped with canopy vigor and berry size and created ideal conditions for flowering and fruit set under sunny skies. With the exception of one heat spike in late June/early July, temperatures were consistently in the zone for optimal vine activity, resulting in notably healthy vines as fruit went through versaison and started ripening. Terrific Fall weather ensured ideal maturity.

Production: Hand picked and sorted before being de-stemming. Each lot went into small tanks and as both crushed and whole berries. After a log cold soak, the lots were fermented with a combination of wild and cultivated yeasts. A mix of punch downs, pump overs and rack and returns were performed several times a day to influence extraction in different ways over the course of fermentation. Pressed gently in a basket press, the wines were moved with lees to 40% new American oak barrels to finish malolactic fermentation. After careful watch and several rackings the wine was blended and bottled after 19 months.

Tasting Notes: The Petite Sirah is certainly a standout of the 2013 vintage. Deep purple with inky undertones. Rich, ripe aromas of boysenberry, plum, anise and baking cocoa. Robust tannin coats the pallet inviting in flavors of ripe blackberry, blueberry, black currant and lingering mocha with sweet baking spices. Long supple finish. Drink now to 10-12 years.

The Terraces: 130 years of grape growing and 30 years of winemaking history inspire us to create epic wine of astonishing value. Less than 3500 cases produced each vintage. We encourage you to visit on your next trip to Napa.
