Vineyard: Trefethen Vineyards is located in the Oak Knoll District toward the southern end of the Napa Valley at a relatively low elevation on the valley floor, making it accessible to the climate-moderating effects of the bay. Cooling breezes and coastal fog slow ripening, extending a growing season which can last up to eight months.

Vintage: The mild winter gave way to slightly early bud break, followed by a relatively steady and mild July and August. Thanks to a series of significantly warm days at the end of the growing season, vineyards were able to progress to perfect ripeness just in time for a condensed harvest season. With the Valley's first significant Fall rainstorm arrived on October 14 - the harvest season wrapped up earlier than most.

Production: Hand picked and sorted prior to being removed from the stems and slightly crushed. The grapes initially go in one-ton insulated bins with plenty of dry ice, and spend between 20 and 30 hours on their skins to extract flavors. Very gently pressed in a one-ton basket press, the juice is left to settle. A combination of wild and domestic yeasts are used to maximize complexity and varietal characteristics. Fermented at cold temperatures in stainless tanks until almost dry, the wines are moved sur lie to mostly neutral French oak barrels. Stirred every two weeks until bottling, the wine develops richness that is balanced by the prevention of malolactic fermentation.

Tasting Notes: With a beautiful light straw hue and aromas of pineapple, guava, baked green apple and a hint of sweet woody vanilla the 2016 Chardonnay is sure to please. The palate has inviting characteristics of tropical fruit, crispy asian pear & bright green apple acidity. The vibrant mouthfeel showcases surprising weight & richness and a lively finish. Drink now or cellar for 8-10 years.

The Terraces: 130 years of grape growing and 30 years of winemaking history inspires us to create epic wines of astonishing value. We produce less than 3500 cases in total each vintage. We encourage you to visit on your next trip to Napa.
