Vineyard:	McCormack Family Vineyard is located in the Clarksburg AVA. They have been farming 600 acres in the Delta region along the Sacramento River for five generations. Fog and cool breezes from San Francisco Bay keep the area quite cool, enabling production of high quality white grape varieties.
Vintage:	The 2019 growing season started with abundant late spring rainfall giving way to classic warm summer months and a prolonged growing season. Relatively mild harvest season temperatures allowed for extra hang time giving the 2019 crop ample time to develop structure and soft tannins while retaining bright acidity. All in all, the growing season provided exceptional fruit and promises to be yet another amazing vintage.
Production:	Hand picked and sorted prior to being removed from the stems and slightly crushed. The grapes initially go in one-ton insulated bins with plenty of dry ice, and spend between 20 and 30 hours on their skins to extract flavors. Very gently pressed in a one-ton basket press, the juice is left to settle. A combination of wild and domestic yeasts are used to maximize complexity and varietal characteristics. Fermented at cold temperatures in stainless tanks until almost dry, the wines are moved sur lee to mostly neutral French oak barrels. Stirred every two weeks until bottling, the wine develops richness that is balanced by the prevention of malolactic fermentation.
Tasting Notes:	With a gorgeous pale yellow color, the bright aromatics of honey, orange blossom, vanilla and tropical fruit are complimented by a touch of minerality. The palate showcases lovely weight balanced bright acidity. Flavors of zesty citrus, give way to a long finish. Drink now to 3-7 years.
The Terraces:	130 years of grape growing and 30 years of winemaking history inspires us to create epic wines of astonishing value. We produce less than 3500 cases in total each vintage. We encourage you to visit on your next trip to Napa.
