| Vineyard:         | The fruit comes from The Terraces Estate vineyards in the eastern foothills of the Rutherford AVA from the Dollar Ranch in lower Chiles Valley.  |
| Vintage:          | After a soggy February and March, warm weather brought a slightly later bud break. Flowering occurred under ideal weather conditions, creating bountiful fruit set. The growing season proved to be idyllic with long warm days and cool evenings. To everyone's surprise the vineyard development was uninterrupted by the Valley's typical heat-spikes. The moderate heat extended with gorgeous Fall days allowing for extended hang time in the vineyards allowing complex flavor development without the fear of overripe fruit or rot. The 2018 harvest proved bountiful with production above average for this stellar vintage. |
| Production:       | Hand picked and sorted before being de-stemmed. Each lot went into small tanks as whole berries. After a long cold soak, the lots were fermented with a combination of wild and cultivated yeasts. A mix of punch downs, pump overs and rack and returns were performed several times a day to influence extraction in different ways over the course of fermentation. Pressed gently in a basket press, the wines were moved to 35% new French and American barrels to finish malolactic fermentation. Under careful watch and tending, the wine was blended and bottled after 20 months.   |
| Tasting Notes:    | Zinfandel is the variety that started all at The Terraces. This is one of the three estate grown varieties and is always a Terraces favorite. The 2018 vintage show lovely aromatics of dark fruit, clove, black pepper, vanilla and toasty oak. Rich in the mid pallet, this wine coats the mouth. With a long finish this is a big wine and it will only get better with time. The soft integrated tannin and long finish draw you back for the next sip. Drink now, or age for 5-8 years.   |
| The Terraces:     | 130 years of grape growing and 30 years of winemaking history inspires us to create epic wines of astonishing value. We produce less than 3500 cases in total each vintage. We encourage you to visit on your next trip to Napa.   |
