Vineyard:	The Lewis Vineyard is located in the Lodi AVA in the San Joaquin Valley east of Sacramento. It exhibits a Mediterranean climate with warm days and cool nights leading to an excellently balanced Grenache crop
Vintage:	The 2021 growing season started with abundant late spring rainfall giving way to classic warm summer months and a prolonged growing season. Relatively mild harvest season temperatures allowed for extra hang time giving the 2021 crop ample time to develop structure and soft tannins while retaining bright acidity. All in all, the growing season provided exceptional fruit and promises to be yet another amazing vintage.
Production:	Very gently pressed in a one-ton basket press, the juice is left to settle. A combination of wild and domestic yeasts are used to maximize complexity and varietal characteristics. Fermented at cold temperatures in stainless tanks until almost dry, the wines are moved sur lee to mostly neutral French oak barrels. Stirred every two weeks until bottling, the wine develops richness that is balanced by the prevention of malolactic fermentation.
Tasting Notes:	Rosé of Grenache is a summer time must have. This gorgeous varietal has a pale salmon hue, showcasing bright aromatics of tropical apricot and honeysuckle. The palate is light weight balanced with high acidity. Flavors of apricot, peach and other stone fruits are intense along with a subtle floral character. Drink now.
The Terraces:	130 years of grape growing and 30 years of winemaking history inspires us to create epic wines of astonishing value. We produce less than 3500 cases in total each vintage. We encourage you to visit on your next trip to Napa.
