

Wine Club

Terms & Conditions

Members must be at least 21 years of age. Our wine club is designed to be a year-long commitment, which includes three shipments over the course of the year. These shipments are sent in the winter, spring, and fall, with an optional summer offering available for those who wish to participate.

As a small, family-run winery, we put a great deal of care into each release, and in joining the club, members agree to receive all three shipments within their first year. The Terraces reserves the right to charge back any discounts or complimentary tastings if this commitment is not fulfilled.

Complimentary tastings for members begin after your first club shipment has been received. If you join us while visiting the winery, we are happy to extend two tasting fees at the time of sign-up.

Shipments are processed automatically using the card on file ahead of each release. We kindly ask that any updates to billing or shipping information be sent through before processing to help avoid delays or additional shipping charges. The Terraces is not responsible for fees associated with misdirected shipments due to outdated or incorrect information.

If you need to cancel your membership, we ask that you reach out prior to your next shipment being processed. Once a shipment has been charged, it is considered final.

And as always, please don't hesitate to reach out with any questions or concerns. We're always happy to help.
